YOU DIDN'T TELL THEM EVERYTHING.

NO. BUT WOULD YOU TWO BE INTERESTED IN STAYING HERE AND HELPING US FIND THEM?

A PIECE?
TEMPLE?
AH... YES AND YES. I'LL LET MORO FILL YOU IN.

IT LOOKS A LOT LIKE--
MATH'S TECH.

I KNOW. BUT IT'S *ACTUALLY* THE PIECE OF ATMAN'S PROCESSOR THAT WE DISCOVERED INSIDE THE TEMPLE.

SOMETIMES TOO MUCH TRUTH ALL AT ONCE IS *WORSE* THAN A LIE.

OR AT LEAST MY NEW PARTS.

LINE Webtoon

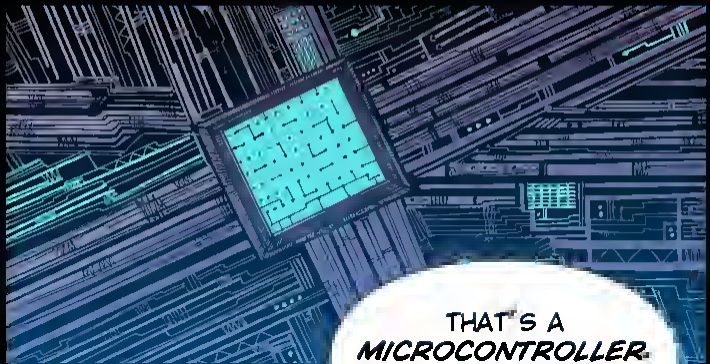
WHAT DOES THIS HAVE TO DO WITH THE MICROCONTROLLER?
AS YOU KNOW, A PROCESSOR, ANY PROCESSOR, IS COMPOSED OF --

YES, MY APOLOGIES. THE DOCTOR BELIEVES THAT THESE PREDECESSORS LEFT BEHIND FOUR FACILITIES, OR TEMPLES AS MACGUFFIN REFERS TO THEM. WE, OR RATHER YOU, DISCOVERED THE OBSIDIAN TEMPLE.

CREATED BY BRADLEY MASON

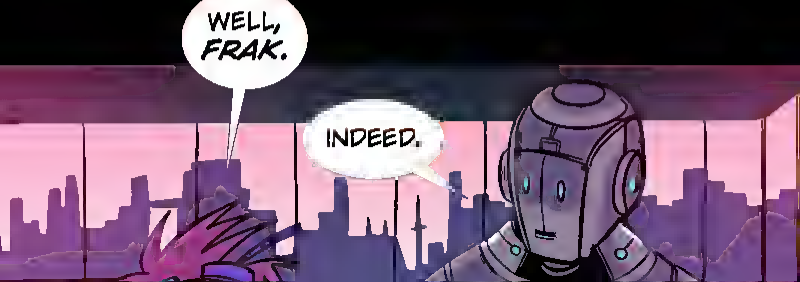
CYBERBUNK

WORDS BY SAM MACHADO
ART BY CYNTHIA SOUSA
AND AMANDA SOUSA MACHADO

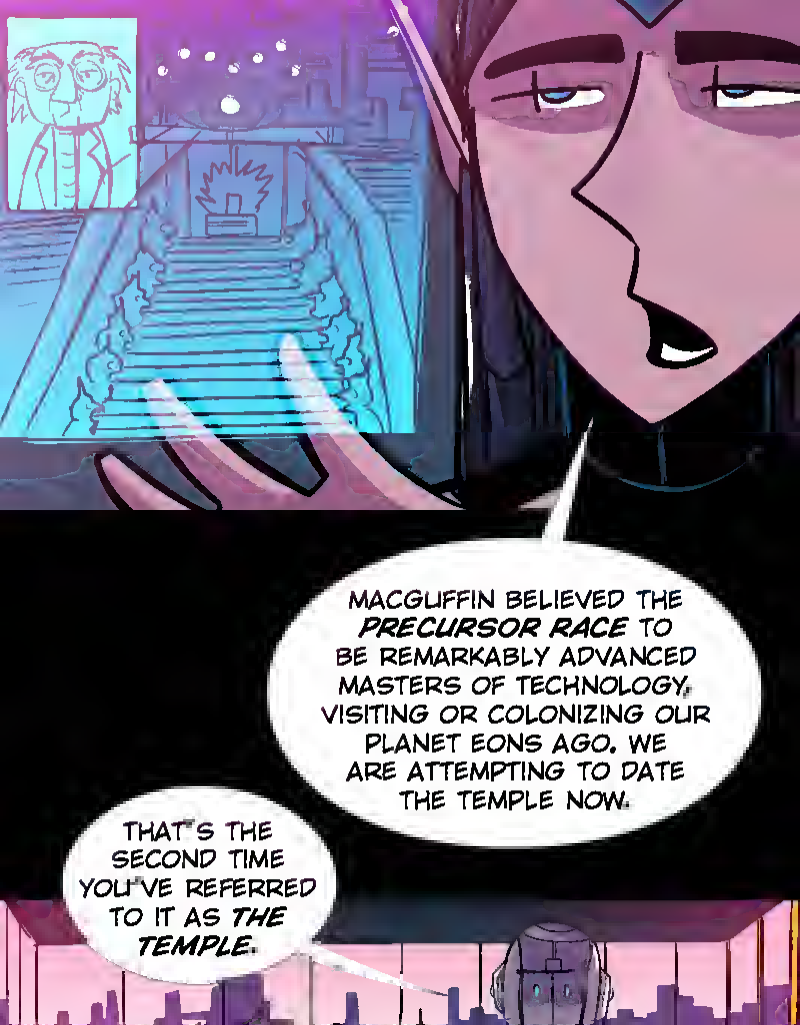


FOUR PARTS. THE MICROCONTROLLER, THE ARITHMETIC LOGIC UNIT, PROCESSOR REGISTERS AND OPERANDS.
AND YOU THINK ATMAN PUT A PIECE OF HIS PROCESSOR IN EACH *TEMPLE*?

THAT'S OUR THEORY.

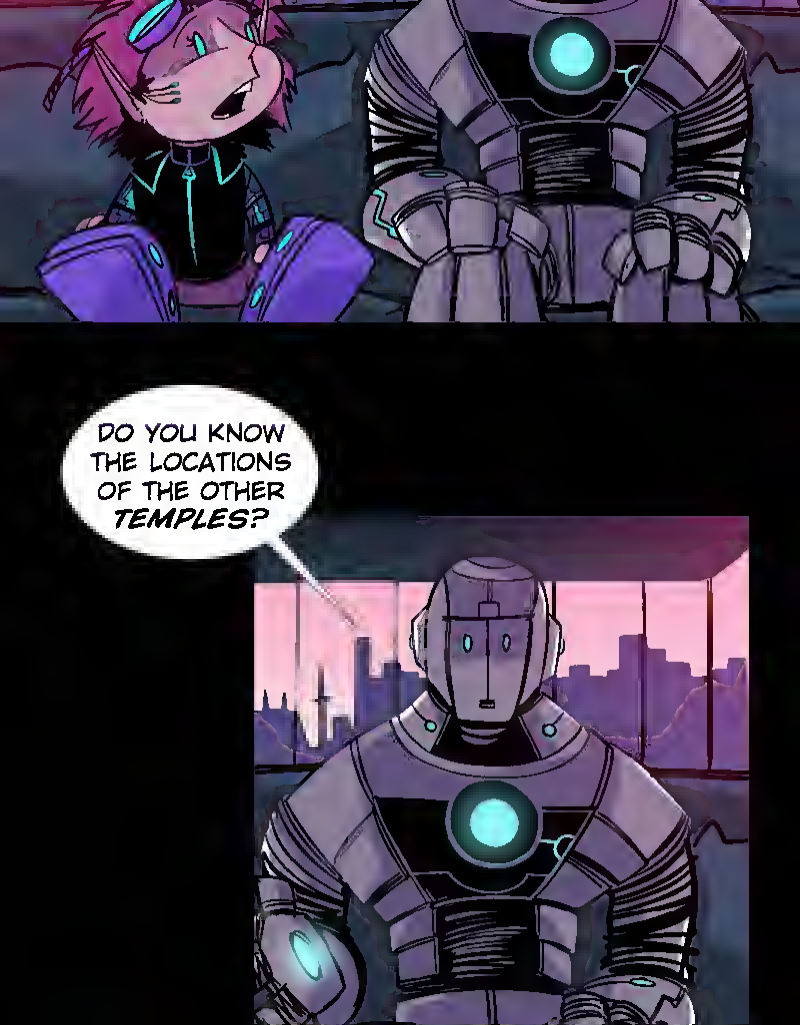


WELL, FRAK.
INDEED.



MACGUFFIN BELIEVED THE *PRECURSOR RACE* TO BE REMARKABLY ADVANCED MASTERS OF TECHNOLOGY, VISITING OR COLONIZING OUR PLANET EONS AGO. WE ARE ATTEMPTING TO DATE THE TEMPLE NOW.
THAT'S THE SECOND TIME YOU'VE REFERRED TO IT AS *THE TEMPLE*.

YES, WELL. WHAT WE FOUND AFTER YOU UNLOCKED THE FACILITY CORRESPONDED ALARMINGLY WELL WITH DOCTOR MACGUFFIN'S RESEARCH...
...WHICH TO BE *HONEST* HAS BEEN TREATED AS LITTLE MORE THAN A CONSPIRACY THEORY FOR DECADES.



DO YOU KNOW THE LOCATIONS OF THE OTHER TEMPLES?
